

# Comments about *Talbot's Summary of* **Dispelling the Myths of Borrowing to Invest**

*“Thorough and balanced. Small investors won’t find a better guide on this tricky subject.”*

Rob Carrick, Personal Finance Writer, The Globe and Mail

*“In this clear, concise and balanced booklet, Talbot takes the reader by the hand and shows how to build wealth quicker through conservative leveraging while avoiding the pitfalls. Any investor — whether large or small — can benefit from Talbot’s simple but effective techniques. Don’t even think of leveraging until you’ve read this booklet!”*

Dr. Chuck Chakrapani, Chairman, Investors Association of Canada, Editor, Money Digest

*“A balanced account of the risks and rewards of leveraging.”*

Malcolm P. Hamilton, Actuary, William M. Mercer Ltd.

*“Borrowing to invest can be a scary and dangerous thing. It works well when investments rise in value, but it can be disastrous if investments drop. This booklet is a great tool to educate investors on how leveraging works, and how to use it effectively.”*

Linda Leatherdale, Financial Editor, The Toronto Sun, Author, TV Host

*“Borrowing money to buy equity mutual funds is a risky strategy, more so after stock markets have had a good run. I’m glad Talbot Stevens has done the math. He shows what it takes for leverage to work.”*

Jim Daw, Business Editor, The Toronto Star

*“While Talbot Stevens forthrightly sets out the risks of leverage, the probable impact of this ground-breaking investment booklet will likely be to increase its intelligent use by overly cautious Canadian investors.”*

Jonathan Chevreau, National Post columnist and publisher of The Boomer.com.

*“Whether a financial professional or novice investor, Dispelling the Myths of Borrowing to Invest gives you the knowledge and methods to magnify your personal wealth over time.”*

Catharina Jutting, CFP, Canadian Association of Pre-Retirement Planners

*“At last, both sides of the story. From a source you can trust.”*

Duff Young, CFA, best-selling author and CEO, FundMonitor.com

*“I am impressed with the effort. ... Dispelling the Myths of Borrowing to Invest earns four Hartman Hurrahs for the effort and the courage. ... [Talbot] is passionate about the subject and even if you don’t fully agree with his arguments, you should at least be aware of them.”*

George Hartman, Author and Columnist for Investment Executive

*“Talbot dispels the myths about the leveraging process, and offers well-researched conservative leveraging strategies that benefit almost anyone who wants to magnify investment profits.”*

Alan Caplan, CFP, RFP, Personal Finance Columnist, The Edmonton Sun
